Re: HillPAC C00363994
February Monthly Report (1/01/05-1/31/05)

Dear Ms. Lewis:

This letter is in response to your August 24, 2005 request for information concerning HILLPAC's February 2005 monthly report, covering period 1/1/05-1/31/05.

The \$3,291 payment received from O'Brien, McConnell & Pearson on January 11, 2005 was for list rental income and was properly reported on Line 17 of HillPAC's February 2005 Monthly Report.

HillPAC makes its direct mail list available for rental through a list brokerage and management company (the "list broker") that has been in business for a number of years. The list broker sets the price for the HillPAC list based on its experience and expertise in the list rental market. These variables include, among other things, the freshness of the list and the historical average donation amount of the active donors on the list. When the HillPAC list is rented, the list broker retains a commission for its fee and the net amount is paid to HillPAC. HillPAC then properly reports the receipt of the list rental income on its FEC reports.

Additionally, HILLPAC has filed an amended report addressing the Column B figures for this report.

If you have any additional questions regarding this receipt, please contact us at your convenience.

Sincerely,

James Lamb
Counsel, HillPAC
